Local Supporters of Forward in Faith

Some local branches of Forward in Faith maintain lists of local supporters who are not members of Forward in Faith for the purpose of sending them newsletters by post or email. Local supporters who are not members of Forward in Faith do not have the right to vote in branch meetings and cannot serve as officers or representatives of the branch.

Local supporters are included in such lists

- either in return for a regular payment, and hence in fulfilment of an implied contract,
- *or with their explicit consent.*

The names, addresses, telephone numbers and email addresses of local supporters are held by the officers of the local branch for the purpose of sending newsletters and contacting those concerned about their continued inclusion in the list. The data controller is Forward in Faith (registered charity no. 1057246).

The names and addresses are used for no other purpose and are never communicated to third parties.

If you do not wish to receive such communications in future, please inform the relevant branch officers. We will delete your address and contact details, retaining only your name with an indication that you no longer wish to receive communications from Forward in Faith. Any further payments to the branch will be treated as donations.

Local branches retain records of donations received, and gift aid declarations. These include personal data. These records form part of the financial records of Forward in Faith and are retained in order to comply with legal and regulatory requirements. They are used for no other purpose. They are destroyed seven years after the date of the last payment received.
